### **Howard County Police Ask for Help to Identify Burglary Suspect** *Burglar Targeting Laptop Computers*

Howard County Police are asking for help in identifying a burglary suspect shown in a series of photographs released today. The suspect was caught on video surveillance cameras during two recent burglaries. Police have also linked the suspect to a third burglary in the same area. The suspect is a black male, in his 20's, 6-0 to 6-2, hair worn in braids, and wearing a gold ring on his left ring finger. Investigators say the suspect is targeting commercial offices and stealing laptop computers in the Guilford Road Commercial District in Columbia, Md.

Anyone having information as to the identity of this suspect is urged to contact Howard County Police Department at 410-313-3200
